MEMORANDUM

SUBJECT: Maline Creek
St. Louis, Missouri

FROM: Greg Reesor
RPM, Superfund Branch

TO: Roberta Erlwein
Regional Representative, ATSDR

I am requesting a health consultation regarding the subject site. Specifically, I am seeking your comments on the potential health implications of the asbestos at the site. I understand that you have a copy of the Ecology & Environment Site Assessment report dated April 17, 1992. This and our previous discussions should provide you with background information on the site. If you have any questions, please call me at x7695.
